Reflection - Mark Kelly (suite)

Refrain

Say goodbye to a love we never had

Gm A# G# G# Gm Gm Gm Gm

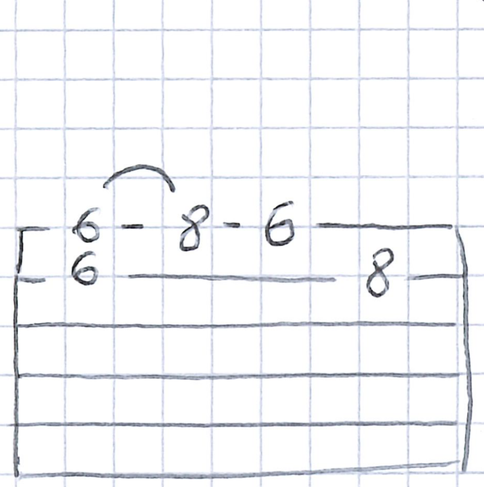

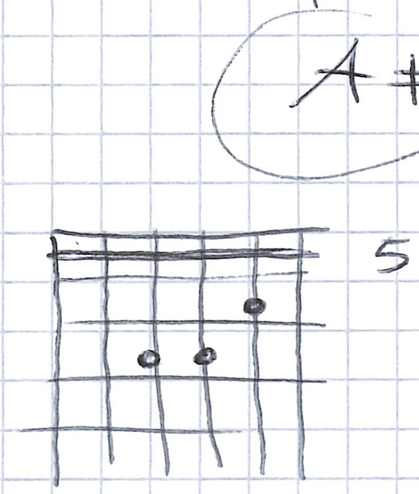

Say goodbye to all the pain I caused you

Gm A# G# G# Gm

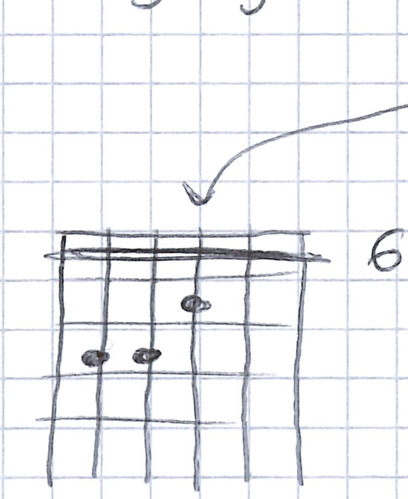

You set yourself free

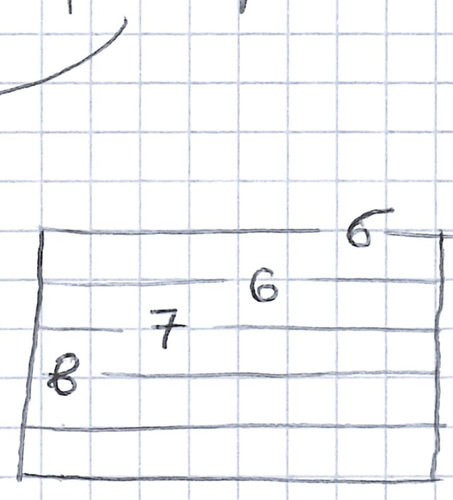

A#

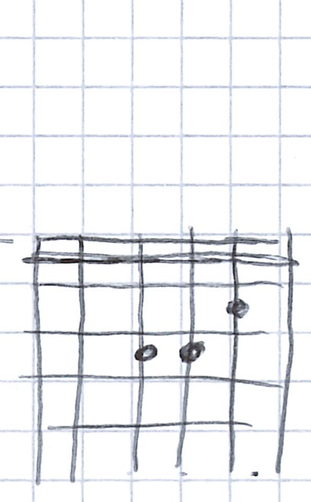

Flying into peaceful waters

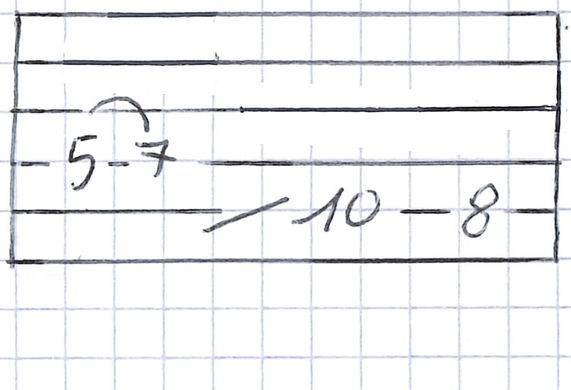

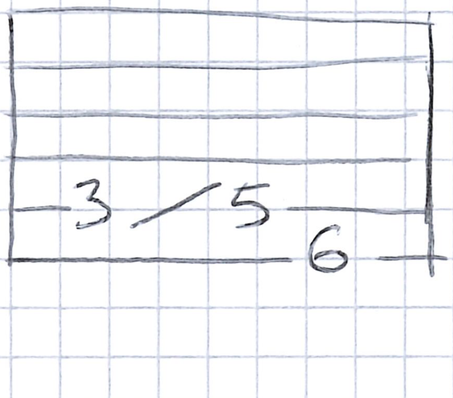

×2 (You set yourself free
Now you'll find what you
deserve)

Pont

(Gm) 3x

(A#) 3x

Couplet

I knew that this could not be repaired
But like a dumb fool I reached out anyway
If all the scars I left were visible you'd have no skin left untouched
The reflection in your eyes is what kept me coming back
And I only gave you the emptiest part of me
A burnt out shell of my former self
I manipulated you in every situation
I infected every part of your life
