## Profile

I'm an Interactive Media Designer. I studied at the applied art school, in La Chaux-de-Fonds, at CPNE Pôle AA, in Switzerland. I like webdesign, graphic design, animation, illustration and photography. I'm curious, hard-working and I like discovering new things, new technics and new thematics. I like playing the guitar and the piano. I was born on December 3, 2005.
